OTHER WAYS YOU CAN HELP!

INVITE a homeless leader to speak at a club, congregation, union, school, or event! Individual donations are critical, but how about inviting a few speakers and your friends to your house to host a house party? We can build our contacts and educate folks in a more intimate setting than a public forum.

BUY and proudly wear Picture the Homeless buttons and "Housing, Not Warehousing" [T-shirts](#)! Blue with our black logo. 100% cotton - \$15.00, in M, L, XL, and XXL. Email [Anika Paris](#) for more information.

PURCHASE a [DVD](#)! Our Anthologies feature copies of our very best videos. DVDs are \$20.00, just send your check and note in the memo section that it is for a DVD and we will mail it out to you, or email [Anika Paris](#) for more details.

PLAN a benefit event or public forum for Picture the Homeless.

BUILD a letter writing/email/fax/phone tree to get your friends and contacts mobilized to impact critical legislation, and to support our work.

VOLUNTEER! When we have actions or research goals you can help make phone calls. It sounds boring but we need to call allies and members to turn out for special events. Do you have skills that can help us out? Can you help with translating documents in another language? Can you come regularly to our office to do computer maintenance? If you have a design or artistic background you can help make props for actions or nice educational materials? Do you like to write?

LEARN about our organizing campaigns and get involved in an issue that excites you.

ARRANGE meetings with your contacts who have skills that we need – do you have journalist friends? Get us a meeting!

DONATE your digital still cameras, digital/flip video cameras, audio recorders, etc. to us! Whatever you donate, we'll put it to great use.

BECOME a member of Picture the Homeless. Download our [Membership Brochure](#).

JOIN our mailing list! Email [Sam J. Miller](#) so we can send you alerts about protests and events you can come out to support, or other actions you can take around our campaigns.
